RE: Resolution authorizing the Mayor of the City of New Haven to accept an Immunization Action Plan grant for the amount of \$171,744 annually for the period of October 1, 2025 to June 30, 2028 from the Connecticut Department of Public Health and to execute, acknowledge, implement and deliver any and all documents as may be considered necessary or appropriate with respect thereto.

Dear President Walker-Myers:

In accordance with the Order of New Haven Board of Alders (Board) authorizing the Mayor to apply for and accept all grants on behalf of the City of New Haven (City), passed on 17 October 1994, I write to respectfully request the Honorable Board of Alders to authorize the Mayor of the City of New Haven to accept an Immunization Action Plan grant for the amount of \$171,744 annually for the period of October 1, 2025 to June 30, 2028 from the Connecticut Department of Public Health and to execute, acknowledge, implement and deliver any and all documents as may be considered necessary or appropriate with respect thereto.

With these funds, the New Haven Health Department can work to achieve the National Healthy People 2030 objective of having children in New Haven, and the greater New Haven area, age-appropriately vaccinated by 24 months of age, the Connecticut Immunization Action Plan (IAP) engages in activities to improve vaccine delivery, tracking and outreach referral, education, and assessment. A more detailed description of the program is provided in the Executive Summary. Program administration and services are provided by the New Haven Health Department. As this is a contract renewal, we are seeking unanimous consent.

Should you require additional information, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Bond".

Maritza Bond, MPH
Director of Health
