Shaping Culture in NHPS – Beliefs, Vision, and Norms

<i>What We Believe (Beliefs)</i>	<i>Where We Are Going (Vision & Strategies)</i>
We believe that together we must continue to improve public education in New Haven, resulting in success for every school and every student. • We believe that substantial improvement in student learning in New Haven is possible and urgent. Significant and ongoing change is possible and necessary across the district and at all levels of the system to reach that goal. • We believe that our schools must engage, value, challenge, and provide success to all our students – and we believe that our students can grow to high levels of achievement no matter the other obstacles in their lives. • We believe that schools are the most important organizational units in the system, and that our central offices, our policies, and our systems must support the individual excellence of each school. Within the schools, a shared mission, understanding of students and ongoing professional collaboration are the foundation for the teamwork essential to effective schools. • We believe that the people surrounding students – teachers, principals, and other adults – are the district’s most important resources, and that their individual and collective effectiveness is the most important factor in improving student results learning • We believe we cannot work alone, and that we must collaborate with and support the other adults who are part of our students lives, particularly their parents • We know the route to accomplish our goals is neither clear nor easy, but we believe with collaboration, perseverance, and positive relationships we can achieve them together.	Our vision is to create a school district where... • Students learn through meaningful and coherent experiences that support their intellectual, emotional and physical development, and that these experiences must be created in individual classrooms, within the school as a whole, and extend beyond the school into their lives. • Schools are the focal point for learning in the district, where teams of adults take collective and empowered responsibility for students, working separately and together to move students from wherever they start to the highest performance levels • The district, at all levels and in all things, encourages both collaboration without fault and positive change through growth, adaptation, and innovation We are pursuing this vision through three broad strategies... • <i>Portfolio of Schools:</i> Each school will be organized and supported on its own unique path to success • <i>Talent:</i> Adults in the system will be managed as professionals to encourage collaboration, empowerment, and responsibility for outcomes – and this will enable us to attract, develop, and retain the highest caliber staff • <i>Community & Parents:</i> The work of the school system will be as aligned as possible with the other adults who work on behalf of students to prepare them for the rest of their lives, including parents, community organizations, and Promise

How We Work Together (Norms)

We work effectively together on behalf of students when our words and actions reflect the following norms:

- *No Fault Problem-solving*: We focus on overcoming real challenges and solving the urgent problems before us, not on placing blame or fault for those problems.
- *Pursuit of Problems*: Challenges and problems are opportunities for learning and improvement, and so we seek out both the facts/data and the courageous conversations that will improve learning in the district for our students
- *Valuing Others*: We strive to understand how our peers and collaborators see the world, and we recognize their legitimate perspectives and concerns. We avoid the temptation to dismiss individuals and generalize other groups.
- *Foster Constructive Relationships*: We explicitly show our support for each other, including by developing each other and by challenging each other to do better.
- *Enduring Partnership*: If we have invested meaningful time, listened to each other, and genuinely sought consensus, we move forward together – even when we disagree.

PREAMBLE

SECTION 1. This Agreement is made and entered into as of this first day of July, 2023, by and between the New Haven Board of Education (hereinafter referred to as the Board) and the New Haven Federation of Teachers, Local 933, American Federation of Teachers, AFL-CIO (hereinafter referred to as the Federation).

SECTION 2. The parties hereto recognize the benefits available to each hereunder, and the procedures and avenues of communication established herein as a result of these good faith negotiations between them; it being the aim of both the parties here to establish methods by which the public educational system of the City of New Haven may continue to improve so as to meet the needs of the total community. In furtherance of that aim, the parties hereto accept the provisions of this Agreement as their collective and individual commitment actively, cooperatively and in good faith to honor, support and seek to fulfill the obligations, commitments and representations made herein, to the best of their respective abilities for the duration of this Agreement.

ARTICLE I RECOGNITION, RIGHTS AND OBLIGATIONS OF THE PARTIES

SECTION 1. Exclusive Bargaining Representative

Pursuant to Section 10-153b of the Connecticut General Statutes, the Board hereby recognizes the Federation as the exclusive collective bargaining representative for all employees employed by the Board in all positions “in the teachers’ bargaining unit” as defined in said statute.

SECTION 2. The Federation agrees to represent equally all members of the above defined unit.

SECTION 3. Nothing in this Agreement shall in any way limit or contravene the authority of the Board as provided in the General Statutes of Connecticut and the Charter of the City of New Haven. The Board shall not, however, exercise any of its authority specified above so as to contravene a specific provision of this Agreement. The Board will also not make any change in any policy, rule or regulation affecting salaries or other conditions of employment of teachers without prior consultation or discussion with the Federation. The Federation may challenge the authority of the Board to make a change in a policy, rule or regulation, by processing a grievance in accordance with the Grievance Procedure hereof or by exercising its right under the Teacher Negotiation Act to file a complaint with the State Board of Labor Relations.

SECTION 4. Any policy, rule or regulation of the Board, adopted prior to the effective date of this Agreement, which is in conflict with a specific provision or provisions of this Agreement, shall as of the effective date of this Agreement, be superseded and replaced by the applicable provision or provisions of this Agreement with which it is in conflict. No provision of this Agreement shall be construed or interpreted so as to apply retroactively.

SECTION 5. Non-discrimination

The parties agree to continue to follow the policy of not discriminating against any employee on the basis of race, color, religious creed, age, sex, sexual orientation, marital status, national origin, ancestry, or present or past history of mental disorder, intellectual disability, learning disability or physical disability, including, but not limited to, blindness, or membership or partnership in or

association with the activities of any employee organization or political party, or on account of membership in a protected classification under Connecticut or Federal equal employment opportunity statutes as they currently exist or as they may be amended from time to time.

SECTION 6. Despite references herein to the Board or the Federation as such, each reserves the right to act hereunder by committee or by designated representative (professional or lay, whether or not a member). Each party will provide to the other satisfactory evidence of authority so to act.

SECTION 7. During the term of this Agreement no member of the bargaining unit or representative of the Federation shall engage in or participate in any refusal to work, mass resignation, slowdown or strike. Engaging in or participating in such activity shall constitute just cause for discipline, including suspension and discharge. Any individual discharged or otherwise disciplined for engaging or participating in such activity shall be entitled to arbitration in accordance with the provisions set forth in Article III hereof but only on the issue of whether they engaged in or participated in such activity, and the Arbitrators authority shall be so limited.

SECTION 8. Nothing contained herein to the contrary notwithstanding, bargaining unit members shall be entitled to family and medical leave as provided for by the Federal Family and Medical Leave Act, as applicable. Leaves provided for in this Agreement shall be included in and shall not be in addition to the period(s) of family and medical leave required by such law.

SECTION 9. In accordance with the provisions of Public Act 03-174, employees working in a teaching position solely on the basis of a *Durational Shortage Area Permit* (DSAP) shall be included in the bargaining unit. Such individuals shall be covered by all terms and conditions of the collective bargaining agreement, except as follows:

(a) A DSAP holder shall not accrue seniority or length of service for any purpose of this Agreement. Notwithstanding the foregoing, if a DSAP holder becomes certified as a teacher and is retained continuously by the Board as an employee after receiving such certification, with no break in service, then the individual shall be credited with seniority and length of service for all purposes under this Agreement, retroactive to the first date of employment by the Board.

ARTICLE II GENERAL WORKING CONDITIONS

SECTION 1. Fair Disciplinary Policy

- (a) No teacher shall be suspended except for just cause.
- (b) Notification of suspension shall be given to the teacher in writing with a copy to the Federation. The reason for such discharge or suspension shall be stated therein.
- (c) The teacher may, if they so desire, upon receipt of notification of suspension, file a grievance at the third step of the grievance procedure, provided in this Agreement. If suspension is found to be unjustified at any step of this procedure, the teacher's full pay and benefits shall be restored for the full period of their suspension.

SECTION 2. School Year

(a) The work year of all teachers covered by this Agreement shall commence no earlier than the Tuesday after Labor Day, unless mutually agreed upon by the Board and the Federation, and shall terminate no later than June 30 annually if possible under State Law. During such period there shall be scheduled no more than one hundred eighty-two (182) regular teaching days where pupil attendance is required. Similarly, during such period, teachers shall be required to report one day prior to the pupils' first school day and shall be required to be in attendance one day after the last scheduled day for pupil attendance but in no event be more than one hundred eighty-six (186) scheduled work days during such period. Teachers who were not employed by the Board during the previous school year may, for orientation and briefing purposes, be required to report four (4) days prior to the date upon which all other teachers are required to report. However, notwithstanding the foregoing, the Board may schedule two non-teaching work days contiguous to the beginning or end of the work year, provided the total length of the work year, including these two days, shall not exceed the overall one hundred eighty-six (186) workday limit.

(b) The following days shall not be scheduled school days:

- (1) Rosh Hashanah (one day)
- (2) Yom Kippur
- (3) Indigenous Peoples' Day
- (4) Veterans' Day
- (5) Thanksgiving Day and the day following
- (6) Christmas Eve
- (7) Christmas Day
- (8) New Year's Day
- (9) Three Kings' Day
- (10) Martin Luther King's Birthday
- (11) Lincoln's Birthday
- (12) Washington's Birthday
- (13) Good Friday
- (14) Eid al-Fitr
- (15) Memorial Day
- (16) Juneteenth

(c) A yearly calendar shall be discussed with the Federation prior to June 1 annually and published.

(d) Notwithstanding these provisions the Board reserves its statutory rights to change the length and scheduling of the student school day (except for the length and the scheduling of teacher lunch periods and teacher preparation periods), the length and scheduling of the student school year, and the length and number of parent-teacher conferences. The length and scheduling of the school year will not be changed without prior notification to the Federation and opportunity to negotiate the impact of any such change.

SECTION 3. Work Day

(a) Classroom teachers and other teachers on the classroom teacher salary schedule shall work six hours and forty-five minutes (6.75) scheduled hours in each workday. Teachers shall report

to school at the designated beginning of their workday. Each school may reflect different start and end times due to bell times, flexible teacher scheduling and other factors; however, teachers must comply with the established schedule for their assigned school(s) for all scheduled time which shall include instructional time, collaborative time, other scheduled professional time as determined collaboratively by the teacher and the school administration, as well as unencumbered preparation time. Teachers may leave the building after all encumbered time has been concluded for the day, provided such teacher has not scheduled a parent and/or student conference or is not scheduled for a faculty meeting or a discussion with the Principal or Department Head. The length of the student school day shall not be changed during the life of this Agreement without prior notification to the Federation and opportunity to negotiate the impact of any such change. The length of the student instructional day shall not be increased beyond the hours in effect for the 2022-2023 school year without prior notification to the Federation and opportunity to negotiate the impact of any such change.

(b) The Board may reorganize the schedule of hours so as to fit the requirements of the System, but in so doing the provisions of Section (a) hereof shall be followed. Any such changes in the hourly schedule shall only be after notice to and discussion with the Federation in accordance with the provisions herein. It is understood that advanced classes and special programs (e.g., preschool) may be scheduled at hours different from those for regular classes and programs.

SECTION 4. Lunch Periods

(a) Teachers shall be provided a duty free lunch period of not less than that provided to students, but in no event less than 30 minutes.

(b) Lunch duty at the Elementary Schools shall be on a voluntary basis and teachers who voluntarily take this duty shall be paid in accordance with present practice. If several teachers volunteer, the duty will be rotated around them. Teachers may leave the school building during their lunch periods.

SECTION 5. Class Size

(a) No class from Grades K-2 shall have more than twenty-six (26) pupils and no class from Grades 3-12 shall have more than twenty-seven (27) pupils, provided that additional numbers may be assigned to K-2 classes, if additional assistance is provided, but in no case in excess of average past practice. The Board shall make a reasonable effort to lower Grades K-2 class size to no more than twenty-five (25) pupils and Grades 3-12 class size to no more than twenty-six (26) pupils.

(b) Class size may exceed the stated maximum in special or experimental teaching situations (it is understood that special teaching situations would include chorale, band, etc.) physical education classes shall not exceed 40 pupils.

(c) The ratio of at least one (1) teacher for every thirty (30) pupils shall be maintained and exceptions shall be made where special teaching programs prevail.

(d) Regardless of class size, no teacher in the departmentalized program shall be assigned more than 125 students. This section, however, shall not require the establishment of a class of fewer than 15 pupils.

(e) Where a particular number of student stations are provided, such as in laboratories, tech ed, computer lab, art rooms, typing rooms, music rooms and similar situations, the number of

students assigned shall not exceed the number of student stations already provided.

(f) During the term of the contract the parties will meet and discuss class levels for special education and to reduce any agreement to a Memorandum of Agreement. A failure to reach an agreement will not trigger the mid-term dispute resolution mechanism of the Teacher Negotiation Act.

(g) Counselors shall not be assigned more than the current student load assigned to counselors of the same type and level during 1986-1987.

(h) Elementary music teachers shall not be assigned a teaching load greater than that in effect for elementary music teachers during 1986-87.

SECTION 6. Teaching Load

(a) Teachers in departmentalized programs shall not generally be required to teach more than two subjects not to make more than two teaching preparations daily. A subject is herein intended to mean a distinct course of study within a broad classification. For example, Algebra, Trigonometry and Geometry in the field of Mathematics shall be deemed separate subjects. However, this shall in no way limit the institution of new teaching methods. Teachers in departmentalized programs who are assigned more than two subjects or more than two preparations daily shall be given two additional preparation periods per week and such teachers shall be given preference in relief of homeroom assignments. Teachers with four (4) or more preparations per week shall be relieved from all collateral assignment. This section shall not apply in experimental teaching situations, including team teaching, contemporary issues, and general lectures. In these expected areas, assignments inconsistent with the foregoing criteria will be discussed with the Federation.

(b) No teacher shall teach in violation of the certification regulations of the State.

(c) Departmentalized teachers shall be scheduled for no more than five (5) teaching periods per day.

(d) Teachers assigned to non-compensated extracurricular activities during the school hours shall have such assignment considered as a teaching period

SECTION 7. Preparation Periods

(a) All teachers shall have a daily preparation period, except when the format of their schedule (curriculum) requires scheduling which prohibits daily preparation periods. In such cases, at least five (5) preparation periods shall be scheduled for such teacher per week. Teachers shall not be assigned to any other duties during their preparation periods.

(b) All elementary teachers shall be provided with a minimum of five (5) preparation periods of forty-five (45) minutes in duration per week for a total of two hundred twenty-five (225) minutes per week. In order to attain this goal, when scheduled by the Superintendent, or their designee, the regularly assigned teacher may be absent from the classroom to prepare during the period when regularly assigned special teachers in art, music and physical education are present, providing instruction to the pupils to whom the regularly assigned teacher is normally assigned and providing such absence from the classroom is agreeable to the principal.

(c) Teachers of split grades must be consulted prior to the scheduling of preparation periods and the results of such consultation will be considered in determining schedules.

(d) When a teacher agrees to cover a class for another teacher during their preparation period, the teacher shall be paid \$42.00 per hour or portion thereof.

SECTION 8. After School Meetings

(a) With the aim of continuing to improve communications and to utilize fully the professional resources of the teaching profession, teachers are required to attend three (3) parent conferences per year to be held after each of the first three report cards, and are encouraged to attend PTA and other parent group meetings.

(b) Teachers may be required to attend not more than two (2) faculty meetings per month, and teachers may be required to attend one (1) CIA meeting per quarter, of no more than one and one-half (1 1/2) hours in duration each, for a total of twenty-four (24) such meetings per year. Such meetings will be held on Monday, shall be called by an administrator and shall commence immediately upon school dismissal. If Monday is a holiday, the faculty meeting may be scheduled on Tuesday of the same week.

SECTION 9. School Visitors

(a) The Board and the Federation agree that parents or guardians of students attending the school are not only welcome to the New Haven Public Schools but also shall be encouraged to visit such schools. However, such visits should be conducted in such a way so as not to interrupt the school educational program.

(b) The procedure for visits of parents, guardians and/or others in a particular school shall be established by the Area Director of Administration-Supervision and the Principal, in accordance with the Superintendent's general policy.

SECTION 10. Teacher's Notice by Superintendent

(a) Any teacher requested to meet with the Superintendent or their designee regarding a disciplinary proceeding shall be given one (1) day's notice of the meeting, be informed in writing of the reason(s) for which their presence is requested, and of their option to be accompanied by a representative of the Federation. If an interview is not held in accordance with these conditions, no part of it will be put in the teacher's file or used in proceedings against them.

(b) Any complaints regarding a teacher made to the administration by any parent, student or other teacher or an administrator will be promptly called to such teacher's attention. The administration shall inform the teacher of the name of the complainant. The teacher shall have the opportunity to answer such complaint.

(c) No member of the Board of Education or the Administration shall orally present or discuss at any public meeting of the Board of Education any complaint or adverse criticism of any teacher until after such adverse criticism or complaint has been discussed with the teacher/or representative designated by the Federation.

SECTION 11. Health and Safety

- (a) The Board agrees to provide for adequate facilities and equipment necessary to maintain a high standard of health and safety.
- (b) School Administrators will arrange for the repair of malfunctioning equipment both in the educational process and in the maintenance of plant as soon as possible when reported by teachers.

SECTION 12. Non-teaching Duties

- (a) It is agreed that the teacher's primary responsibility is to teach and to otherwise supervise the children they teach. Therefore, clerical assistance will be provided for teachers when it is necessary and when the teacher indicates such need at least one (1) day prior to such time assistance is needed.
- (b) Elementary school teachers shall not be required to perform playground duty before or after school or during the lunch recess, bus duty, school crossing duty or lunch duty.
- (c) Teachers shall not be required to correct standardized tests.
- (d) The definition of the above duties as "non-teaching duties" shall not in any way be deemed not to require teachers, as part of their regular assignments, to perform normal disciplinary and supervisory functions in whatever portion of the school buildings that such is required. Such discipline and supervision outside the classroom shall be exercised in a manner consistent with administrative policy.
- (e) While a teacher's primary responsibility is to teach, they are also required to discipline the pupils of the school fairly and equitably.
- (f) Assignment of non-teaching duties shall be equitably distributed among teachers in each school. In accordance with the foregoing, building principals shall consider written teacher requests concerning such assignments, provided the request is made before the end of the preceding school year.

SECTION 13. Early Dismissal

Classes will be dismissed two (2) hours prior to the regular dismissal time on the days the following recesses commence: Thanksgiving, Christmas and the February, April and June vacations.

SECTION 14. Personal Property

The Board is not responsible for the loss of personal property due to negligence on the part of the employee. Teachers will be equitably compensated for damage to personal property resulting from the performance of duties within the scope of their employment.

SECTION 15. Materials

(a) Each teacher will be provided with the necessary materials, supplies and books with which to adequately function in the classroom. The Board will make every reasonable effort to provide at least one book per pupil per subject or its instructional equivalent.

(b) Supply lists will be made available for reference by teachers when received by the building principal. Typically, that is expected to occur by May of each school year.

SECTION 16. Student Behavior

(a) The schools are established for the benefit of all students. The educational purpose of the schools is accomplished best in a climate of student behavior that is socially acceptable and conducive to the learning and teaching process. Behavior that disrupts this process or that infringes upon the rights of other individuals will not be tolerated.

(b) The Board reaffirms its support of the administrative and teaching staff in taking all steps lawful and necessary to enforce and implement all Board policies and regulations pertaining to control of student behavior. Important among these policies are those in the areas of conduct, suspensions, expulsions, and general learning climate as outlined in the Code of Conduct. The teachers will at all times follow and enforce the Directives of the Superintendent and/or policies of the Board regarding these matters.

ARTICLE III GRIEVANCE PROCEDURE

The prompt, informal and confidential adjustment and settlement of grievances is encouraged and therefore, the following procedure to accomplish these purposes is hereby established:

SECTION 1. Definition

(a) A grievance shall mean a complaint (1) by a teacher (hereinafter called "grievant") that there has been a violation, misinterpretation or misapplication of a provision of this Agreement, or of an established policy or practice, (2) or that there has been disparate treatment in the administration of established policies or practices of the Board.

(b) As used in this Article, the term "grievant" shall mean (1) an individual grievant, (2) a group of grievants having the same grievance, (3) the Federation or the Board, respectively, when either files a grievance.

SECTION 2. Procedures

STEP 1. A teacher and a Federation representative (if the teacher so desires) shall first discuss the problem with the school official serving as the teacher's immediate administrative superior.

STEP 2. If the matter is not satisfactorily adjusted within two calendar days* after the last discussion, the teacher, with the assistance of a Federation representative, shall submit a request in writing within six (6) calendar days to such teacher's immediate administrative superior, for a

satisfactory adjustment. Such written grievance must be filed within thirty (30) calendar days following the act or circumstances giving rise to the grievance. Such immediate superior may request a meeting with the teacher and a Federation representative prior to making their decision, but in any event must render their decision in writing, with copies to the teacher and the Federation within six (6) calendar days of the written submission by the teacher.

*In calculating the number of days, school vacations including the summer will be excluded.

STEP 3. Failing satisfactory settlement within such time limit the grievant may, with the assistance of the Federation representative, within six (6) calendar days after receipt of the written decision by their superior, appeal in writing to the Superintendent and such writing shall set forth specifically the basis of the grievance. The Superintendent or their representative shall meet with the teacher and a Federation representative within six (6) calendar days of receipt of such appeal, and shall give their decision in writing to the teacher and the Federation within twelve (12) calendar days of such meeting. Such decision shall include the specific justification for a denial of the grievance.

STEP 4. If the grievance remains unresolved after STEP 3, the Federation, the grievant and the Superintendent or their representative shall meet with a neutral party who shall act in the capacity of a mediator in an effort to resolve the grievance. This step will be used only on a case by case basis when the parties mutually so agree. All discussion at this step will be inadmissible in arbitration.

STEP 5. Arbitration

(a) In the event a grievance shall not have been settled under the procedures above, the grievant may proceed directly to arbitration, which shall be binding, subject to the limitation of the statute.

(b) Notice of intention to request submission to arbitration must be in writing addressed to the Superintendent of Schools, and submission to American Arbitration Association must be made not later than ten (10) calendar days following the decision at Step or the expiration of the timelimits for making such decision, whichever shall first occur. A copy of such notice of intention to submit to arbitration shall be sent to the Superintendent by Registered Mail, return receipt requested.

(c) The arbitrator shall hear and decide only one grievance in each case. They shall be bound by and must comply with all terms of this Agreement. The arbitrator shall have no power to add to, delete from, or modify in any way, any of the provisions of this Agreement. The arbitrator shall have the power to make appropriate compensatory awards. The decision of the arbitrator shall be binding upon both parties and all teachers during the life of this Agreement, except that such decision shall not usurp the functions or powers of the Board of Education as provided by statute. Fees and expenses of the arbitrator shall be borne equally by both parties.

The Board will take quick action on solving grievances which concern irremediable situations. The Board will agree to consider with the Federation the use of the new expedited arbitration procedure of the American Arbitration Association as each case arises.

SECTION 3. General Provisions

(a) Any grievance not initiated and/or appealed in accordance with the time limits specified herein shall be deemed waived by the grievant.

(b) Failure at any step of this procedure to communicate a decision within the specified time limits shall permit the grievant to proceed promptly to the next step. The time limits specified at any step may be extended in any particular instance by agreement between the Superintendent or their designee and the Federation.

(c) Meetings held under this procedure shall generally be conducted on non-school time at a place which will afford a fair and reasonable opportunity for all persons proper to be present. Persons proper to be present for the purpose of this Article are defined as the grievant, the appropriate Federation and Board representatives and witnesses. Federation and Board counsel shall be permitted at Step 4. If, at the option of the Board, hearings are held during school hours, persons proper to be present shall be excused without loss of pay.

(d) A grievance arising from the action of an official above the rank of principal will first be discussed with that official and if not resolved may be submitted to the Superintendent or their designee and processed in accordance with Step 3 above.

(e) The Federation shall have the right to appeal from the disposition of a grievance of any teacher or group of teachers at any step of this procedure in its own behalf.

(f) Nothing in this Agreement shall be construed as compelling the Federation to submit a grievance to arbitration.

(g) No reprisals of any kind shall be taken by either party or by any member of the administration against any participants in the grievance procedure by reason of such participation.

(h) The Superintendent and/or the Board shall have the right to file a grievance in writing with the Federation and such grievance shall thereafter be processed in accordance with Step 3 and the following steps of the grievance procedure. In the event a grievance filed by the Superintendent and/or the Board is submitted to arbitration, the Board shall pay the arbitrator's fees for such arbitration.

ARTICLE IV CONSULTATION

SECTION 1. In order to promote better communications between the administration and the representatives of the Federation, the parties will meet at least once a month during the school year on matters of education policy and development, on any matters which are not covered by the Agreement and on administration of the Agreement. Such consultation shall generally be attended only by employees of the Board of Education. However, if a particular matter to be discussed requires the expertise of a non-employee, either party may request that such person be permitted to attend the meeting. The parties shall exchange agenda indicating the matters they wish to discuss, including the names and qualifications of non-employees they wish to have in attendance, no later than seven (7) days prior to the scheduled meeting date.

SECTION 2. The principal or other head of each school or representatives and the building steward's committee from the school shall consult at least once a month during the school year on matters of school policy and on the implementation of the Agreement. During September of each year, this principal and steward shall establish a regular meeting schedule.

SECTION 3. In order to support collaboration between the Office of Human Resources/Labor Relations and the Federation, representatives of both parties (with no more than three members from each party) will meet once a month during the school year on matters related to personnel, leaves of absence, investigations, transfers, compensation, grievances and other relevant matters. Such consultation shall generally be attended only by employees of the Board of Education. However, if a particular matter to be discussed requires the expertise of a non-employee, either party may request that such person be permitted to attend the meeting. The parties shall exchange agendas indicating the matters they wish to discuss, including the names and qualifications of non-employees they wish to have in attendance, no later than five business days prior to the scheduled meeting.

Deductions are to be made from the second of each monthly check from September to June. If dues are not deducted because of clerical error, etc., the Federation will notify the Board and the proper deductions will be made from the next month's check. Said dues are to be determined for each bargaining unit member and specified in dollars by the Federation and notification sent to the Board by August 15 for implementation by September 1, and by January 15 for implementation by February 1.

The Board shall notify the Union monthly when any certified employee is hired. Each employee who chooses to join the Union shall sign a card to that effect. The Union will notify the Payroll office of the new hire's decision to join the Union at hire or at any subsequent date. Beginning within 30 days of said notification the proper deduction will be made in the first pay period of each of the first 10 months of the academic year, and forwarded to the Union monthly. Upon the payment thereof to the Union, the Board shall be held free and harmless from any liability in handling such Union dues.

(b) Upon payment of any deduction by the Controller to any organization or for any

purpose specified above, such payment shall release the controller, the City of New Haven and the Board of Education and the officers and agents thereof from all liabilities.

(c) If a teacher who is absent on account of sickness, leave of absence, or for any other reasons has no earnings due them for the month, no deductions will be made for that teacher for that month. The Federation will arrange collection of dues for that month directly with the teacher.

(d) When a teacher does not have sufficient money due them after deductions have been made for pension, social security, garnishments or any other deductions authorized by the teacher or required by law, the Federation dues for that month will be collected by the Federation directly from the teacher.

(e) The New Haven Federation of Teachers shall hold the Board and the City harmless against any and all claims, demands, liabilities, lawsuits, counsel fees, or other costs which may arise out of, or be by reason of, actions taken against the Board as a result of administration of the provisions of this section.

(f) Deductions may likewise be made upon proper authorization by the teacher for the Teachers' Credit Union.

The Board will also give to the Federation copies of applicable insurance contracts for distribution to each covered teacher. The Board will provide copies of the collective bargaining agreement and copies of applicable insurance contracts directly to new hires.

(b) Copies of all new policies approved by the Board and all minutes of Board meetings, including executive sessions, shall be sent to the Federation office.

ARTICLE VI ABSENCES AND LEAVES OF ABSENCES

SECTION 1. Sick Leave

Sick leave is to be used only for the purposes of compensating a teacher who is unable to attend their regular scheduled classes because of bona fide illness which requires them to stay home.

(a) So long as the teacher remains in the continuous service of the Board, they shall be entitled to sick leave with full pay up to (15) working days for each year of employment, cumulative from year to year, up to a maximum of one hundred eighty-six (186) working days.

(b) The Board and/or the Superintendent or their designated representative may request a doctor's certificate to be presented by any teacher attesting to illness sufficient to keep the teacher from work for five (5) consecutive days or more. If there exists any reasonable doubt concerning the teacher's illness, the Board or the Superintendent or their designee may require such teacher to submit to an examination by an independent physician acceptable to the teacher and the Board at the Board's expense.

(c) Upon retirement (pursuant to the State Teachers' Retirement Fund) or death (but not upon resignation), a teacher will be paid for all accumulated sick days up to, but not to exceed, sixty-four (64) days. Such pay for each day for which payment is going to be made shall be on a per diem basis, pursuant to the salary agreement then in effect between the teacher and the Board.

(d) The parties agree to the establishment of a sick bank. Membership in the sick leave bank is voluntary on the part of employees. At the beginning of each school year, teachers who have recently attained tenure under C.G.S. §10-151 may join the sick bank by contributing one day of their appropriated accumulated sick leave. Each participating employee will contribute one (1) day of sick leave each time there is a drive in order to stay active in the bank. Each participating employee contributes one (1) day of sick leave until the bank is built up to a maximum of approximately 1500 days. No more days will be added to the maximum until the bank is depleted to approximately 750 days. The bank will be built up to approximately 1500 days again and the process repeated.

(1) Participation in the sick bank shall be voluntary.

(2) A person withdrawing from membership in the bank will not be able to withdraw the contributed days.

(3) A person must be sick 50 consecutive days before they can draw on the bank.

(4) A person will not be able to withdraw days from the bank until their own sick leave is depleted.

(5) Persons withdrawing sick leave days from the bank will not have to replace these days except as a regular contributing member to the bank.

(6) Maximum withdrawal is 90 days.

(7) Sick leave means the leave the teacher has taken for that year plus their accumulation.

SECTION 2. Military Leave

Teachers leaving the system for the purpose of serving in the Armed Forces shall be entitled to all rights and privileges afforded them pursuant to the Selective Service Act of 1940, as amended, and the Connecticut Statutes.

SECTION 3. Childbearing and Childrearing Leave

A. Childbearing Leave

(a) Childbearing leave applies to the birthing parent only. In order that arrangements may be made to staff the school properly, a teacher requesting Childbearing leave shall, as soon as possible, give notice to Human Resources and to their Building Administrator. The teacher must also provide Human Resources a physician's statement indicating the expected date of the child's birth, and recommended date for commencement of Childbearing leave, as well as the teacher's requested date for the commencement of Childbearing leave, if such is earlier than the physician's recommendation. Thereafter, the teacher shall provide a physician's certificate if there is a change in the teacher's condition which would change the

physician's recommendation. The notice shall also contain the date when the teacher requests their childbearing leave to terminate.

(b) Childbearing leave shall commence on the date the teacher requests or on the date that the physician states the teacher is no longer able to work, whichever is earlier. However, the Board may require the teacher to commence said leave at an earlier date if in the opinion of the Board the teacher is not able to satisfactorily perform their duties, in which event the teacher will be considered disabled for purposes of this section. If the teacher commences Childbearing leave on a date earlier than their disability, they shall subsequently supply the Board with a statement from their physician indicating when the teacher was no longer able to work.

(c) Childbearing leave shall terminate on the date the teacher requests or on the date that the physician states that the teacher is no longer disabled, whichever is later. If a teacher returns from leave after the teacher's disability has terminated, they shall supply Human Resources with a physician's certificate attesting that the teacher is fit to resume full duties with a physician's statement indicating when the teacher was no longer disabled.

(d) A teacher may commence Childbearing leave earlier than initially requested upon giving advance notice in writing to Human Resources, as soon as possible, but not less than two (2) weeks prior to the changed date, and may extend said leave beyond the termination date initially requested upon four (4) weeks' advance notice in writing to Human Resources. Such notice shall, in either case, be waived in the case of emergency and/or in accordance with applicable law.

B. Childrearing Leave

(a) Childrearing leave is available to both the birthing and non-birthing parent. Any teacher who has acquired tenure and is expecting a child, or who has firm plans to adopt a child in the immediate future may, upon request, be granted a long-term leave for child rearing purposes. The request for such leave must be made at least four (4) weeks prior to its commencement and must specify the anticipated end date of such leave. A teacher may extend said leave beyond the termination date initially requested, in accordance with the provisions below regarding limits on such extension by providing four (4) weeks' advance notice in writing to Human Resources. Such notice shall, in either case, be waived in the case of emergency. Such leave requests shall be granted except for compelling reasons. Leave under this paragraph may be granted to non-tenured teachers in unusual circumstances at the discretion of the Superintendent.

(b) In accordance with the FMLA, if two spouses are employed by the Board and eligible for FMLA leave, they are limited to a combined total of 12 workweeks of FMLA leave in the 12-month entitlement period for purposes of bonding with a child after the birth of their child or the placement of a child for adoption or foster care. If either spouse uses a portion of the 12-week entitlement for bonding purposes, the other spouse remains entitled to the difference between the amount the employee's spouse has taken and the 12-week entitlement for FMLA leave. This limitation does not affect a teacher's right to non-FMLA qualifying childbearing or childrearing leave under the provisions of this Agreement.

C. Rules Applicable to both Childbearing and Childrearing Leave

a. For the birthing parent the entire length of combined Childbearing and Childrearing leave shall not exceed 18 months. For the non-birthing parent, the length of childrearing leave shall not exceed 18 months. .

b. For employees who are eligible for leave under the FMLA, any period of Childbearing or Childrearing leave will run concurrently with FMLA leave. Teachers shall be eligible to use their accumulated sick leave pay during the statutory twelve (12) weeks as defined under the FMLA or the period of disability (for the birthing parent), whichever is longer. For any period of Childbearing or Childrearing leave that extends beyond an eligible teacher's FMLA entitlement or period of disability (for birthing parent), leave shall be unpaid.

c. The Board shall maintain in effect on behalf of said teacher all insurance benefits provided for in this Agreement for the period of Childbearing and Childrearing leave. Teachers will remain responsible for their share of premium costs during any periods of paid or unpaid leave.

d. Should a teacher elect to take both Childbearing leave and childrearing leave, Childrearing leave under this Article must be taken immediately after Childbearing leave terminates, except as otherwise approved by the Director of Human Resources. This requirement for Childrearing leave under this Article does not alter in any way the rights of teachers to Childrearing leave under the FMLA.

e. Periods of Childbearing and Childrearing leave shall be included in calculating length of service or employment. Any period of childbearing or childrearing leave taken under this Article shall be counted towards eligibility under the Federal Family and Medical Leave Act, but not actual hours worked, for purposes of determining eligibility for additional FMLA leave.

f. It is understood that a Childbearing and Childrearing leave under ninety (90) student school days does not interrupt continuity of service for the purpose of acquiring tenure, but periods beyond ninety (90) student school days shall be excluded in calculating length of employment for purposes of attaining tenure

g. The following conditions shall pertain upon the termination of Childbearing and Childrearing leave:

i. If Childbearing/Childrearing leave terminates during the school year, the teacher shall be reinstated to their previous position or to an equivalent position for which they are qualified provided such reinstatement does not require the Board to violate any other person's rights under Section 10-151 of the General Statutes or this Agreement.

ii. Childbearing/Childrearing leave shall not interrupt continuity of service and such teacher shall be reinstated with accumulated seniority, retirement, fringe benefits and other service credits, including credits accumulated pursuant to subsection C(e). In applying this provision to service credits for pay purposes, a full year's credit will be given for service of five (5) months or longer within a school year.

iii. All teachers exercising their rights under this Article must apply for reinstatement within eighteen (18) months of the date the leave commenced. Failure to do so shall be considered a resignation.

SECTION 4. Sabbatical Leave

Sabbatical leave will be determined by the Board on the basis of the recommendation of the Sabbatical Committee. Such recommendations will be made in accordance with the conditions stipulated herein.

(a) No more than one per cent (1) of the bargaining unit will be granted a sabbatical leave in each school year.

(b) Application for sabbatical leave shall be made on a form provided by the Administration. Such application must be fully completed and all the information shall be supplied if requested. The application shall, upon completion, be submitted to the Director of Personnel and Labor Relations who shall consider if such is intended to improve the New Haven School System and shall be submitted to the Sabbatical Committee. The Committee will review the application and after consideration and discussion the Committee shall make recommendations, in writing (with minority report, if desired) with accompanying reasons either to approve or disapprove application for sabbatical leave and shall forward such to the Superintendent. The Superintendent, if they approve the recommendation of the Committee, shall so indicate on the Committee's recommendation. If the Superintendent disapproves the committee's recommendation, they shall so indicate and specify the reasons therefore in writing. After the Superintendent has acted on each application, upon which the Committee makes a recommendation, the Committee's recommendation shall be forwarded to the Board for final decision and disposition.

(c) After six (6) years of consecutive service, an applicant may submit an application to the Superintendent no later than December 31 of that school year for sabbatical leave for the following school year.

(g) Sabbatical leave shall be granted for not more than the period of one (1) year and no less than one full term (September-January; February-June).

(h) Teachers on sabbatical leave will be credited with service in the system for the period of the leave.

(i) Teachers who are awarded a sabbatical leave shall return to the system for at least one (1) school year after the termination of the leave. Teachers who leave before the completion of one such year shall be deemed unprofessional.

(j) Sabbatical leaves are not to be granted if such are aimed at obtaining a Standard

Teaching Certificate or to obtain an additional certificate in another area of teaching specialization; preference will be given to applications which fall within the applicant's major field of specialization, or an area designated as an educational priority by the Board.

(k) Those awarded sabbatical leave will upon their return be required to submit to the Board a detailed written report as to the scope of content of the program and application of such to the New Haven School System.

SECTION 5. Federation Leave

Such leave shall be without pay and may be renewed for one additional year, upon notice to the Superintendent by March 31 of the year of the leave.

(b) Failure of such person to notify the Board in writing of their intention to return to work by March 31 of the year in which they are on leave, shall result in determination that such teacher has resigned from the system. Any teacher on such leave of absence shall receive credit toward annual salary increments on schedules appropriate to their rank.

SECTION 6. Miscellaneous Leaves

(c) Personal Leave

(1) Teachers will be allowed two (2) days off each year with pay to be used for personal business. These days may be accumulated to four (4). The personal days provided herein are to be used to provide the teacher with necessary time off in order to fulfill bona fide personal needs, such as the performance of legal, household and other business which could not otherwise be legitimately performed during the teaching day. If it is determined that a teacher has misused their personal leave, such misuse shall be deemed unprofessional and such teacher shall be subject to reprimand.

(2) Whenever practicable, the request for the personal time off will be filed with the principal at least forty-eight (48) hours prior to the time requested but in any event all applications for such leave shall be in writing. Personal leaves shall not be requested as part of a vacation or taken the day prior to a vacation or holiday or the day following a vacation or holiday. All such meetings between teacher committees and administrators shall be held in the afternoon on released time when such meetings can be worked into the schedule. All members of the New Haven Federation of Teachers bargaining unit who are absent from school and entitled to Workers' Compensation will have their sick leave account reimbursed at the rate of two-thirds (2/3) of a day for every day the teacher has been charged with their eligible sick days during the compensation period. At age sixty-five (65), such teachers who are not covered by Medicare, shall be provided insurance benefits equivalent to those provided by Medicare. Retirees who retire after June 30, 2025, who are not covered by Medicare shall continue to pay the same cost-share as provided above.

This benefit will not be available to teachers hired after July 1, 2023.

(h) On an annual basis, teachers who have alternate health insurance coverage may choose to waive the above listed health insurance and instead receive an additional lump sum payment in the amount of \$500 single / \$1000 couple / \$1500 family. Teachers who choose to exercise this waiver must so inform the Personnel Department, in writing, by June 15 for the next year beginning July 1. Teachers who have waived, but wish no longer to waive, shall inform the personnel office, in writing, by June 15 for the next year beginning July 1. Waiver payments shall be

disbursed on the first pay period following June 1 and only to those Teachers still employed by the Board on that date. Existing employees who are not currently receiving a waiver, and new hires shall not be eligible. Once a participant opts back into medical coverage, or fails to exercise their right to continue opting out, they shall no longer be eligible. The waiver and payment shall terminate if not permitted by applicable law.

- The Union shall have an opportunity to study the proposed plan for a period of sixty (60) working days;
- If at the end of the aforementioned sixty (60) working days there is disagreement between the parties on whether or not the plan offers substantially equal coverage, benefits, portability, cost and administration, then the issue will be sent to a mutually selected arbitrator. The decision of the arbitrator as to whether the proposed plan is substantially equal on an overall basis to the then current plan shall be binding on the parties.
- The Board may propose an alternative health insurance plan only one (1) time during the life of the contract.

If any provision to this Agreement is or shall at any time be determined contrary to law by a Court of competent jurisdiction, then such provision shall not be performed or enforced except to the extent permitted by law and any substitute action shall be subject to appropriate consultation and negotiation with the Federation. In the event that any provision of this Agreement is or shall at any time be determined to be contrary to law by a Court of competent jurisdiction, all other provisions of this Agreement shall continue in effect.

If a laid-off member refuses recall to any such position, they shall be retained on the recall list.

City of New Haven Preventive Health Program

Objective

The City of New Haven is seeking to develop an employee incentive program that encourages their member population to obtain appropriate preventive care screenings, recommended by age and gender, in an effort to promote healthier lifestyles and enable members and providers to identify potential health issues that may impact the quality of life for the member and require immediate treatment planning.

Overview of Program

A. PCP Designation

Members must designate a PCP for self and spouse*

- EPHC PCPs provide member with lower office visit copay
- Non-EPHC PCPs: Standard member copay amount

**Please note, PCP designation can be entered on the application at the time of enrollment in the members health plan option*

B. Preventive Health Measures

Members are encouraged to comply with specific preventive health measures:

<u>Preventive Screening/Service</u>	<u>Age/Gender</u>	<u>Frequency</u>
Preventive Screening	18 +; Male and Female	Annual
Glucose Screening	18+ Male and Female	Annual
Cervical Cancer Screening	21 + Female	Every 3 years
Dental Cleaning	All ages; Male and Female	Annual
Breast Cancer Screening	40+; Female	Baseline at age 40
Colorectal Cancer Screening	50+; Male and Female	Baseline at age 50
Prostate Cancer (PSA)	50+; Male	Baseline at age 50

C. Chronic Health Conditions Compliance

Members with the following chronic health conditions who are identified to participate in Anthem's ConditionCare disease management program, must actively participate in program:

- Asthma
- Diabetes
- COPD
- CAD
- Heart Failure

HIP PROGRAM DETAILS

Under the Health Incentive Plan (HIP) the member will be required to:

1. Designate a PCP, each covered individual will have to identify a doctor as their personal physician with Anthem.
2. Have the recommended preventative screenings and/or physical examination with a physician as is age and gender appropriate
 - Annual Biometric screenings, BMI, glucose, blood pressure & cholesterol (for most members this is part of the annual physical)
 - Cervical cancer screening for females over 21 every 3 years
 - Baseline mammogram for females over 40
 - Baseline colonoscopy for all after 50
 - Prostate screening for males over 50
 - At least one routine dental checkup and cleaning annually
3. Chronic Health Compliance – members who have been identified with certain chronic health conditions must participate in the ConditionCare Disease Management program. Compliance is based solely on participation, for example, does the member take the phone call from the nurse case manager who will monitor medication usage and the like. It is not based on any clinical outcome.

More particularly, members are identified based on clinical data by Anthem, and then they are contacted by a case manager from Anthem, who reviews their treatment and medication, etc. to help insure they are managing their condition properly. Please note that ConditionCare is already part of your plan today. Members with these diseases are already being contacted. All the HIP does is require them to take the phone call and interact with the case manager and not ignore the call as happens today.

Tracking Compliance – Compliance will be tracked on a calendar year basis, then it will take several months to contact those not in compliance before instituting the penalty payment the following July 1st. It will work as follows:

The Board would not actually begin tracking HIP compliance until calendar year 2019. The Board will receive data from Anthem in February of 2020 for the previous calendar year and contact all those not in compliance. They would then have until June to get in compliance or furnish documentation that they were already in compliance. Those that do not would begin paying the additional monthly medical deduction in July of 2020.

They will pay that additional fee for each month they remain non-compliant; as soon as they are in compliance, however, the additional fee will be removed.

The penalty will be an additional monthly charge for medical of Single \$50, Two Person \$75 and Family \$100. It does not matter how many items you are in non-compliance on, one or more, the penalty is the same. The member can appeal the penalty. More importantly, they will have to have been notified several times in writing prior to any penalty being implemented. The Board will review for compliance annually on a calendar year basis. Any penalties will not be assessed until the following July 1st.

No member will ever be fined for following the advice of their doctor. The ConditionCare program and the nurse case manager are only involved to reinforce what the doctor is advising, not replace it.
