

Support for Reappointment of Matthew Wilcox

January 23, 2023

Dear Alders and Community,

I write in support of Mr. Matt Wilcox's reappointment to the Board of Education for New Haven Public Schools.

Mr. Wilcox has been invaluable in the leadership, culture, productivity, and direction of our Board and district.

Professionally, Mr. Wilcox has been an invaluable source of balanced information, insight, background, and awareness of future work related to my board duties. As a new board member I have greatly benefited from Mr. Wilcox's wisdom, even-judgement, and restraint from imposing any undue influence.

Our Board will be fortunate to have Mr. Wilcox reappointed to serve.

Thank you  
OrLando
