Please explain why you are interested in serving on this board/commission?	As a resident of New Haven, I want to be an active participant in our city's civil life. I feel that I have useful skills and experience that would be beneficial to a board or commission and that would help further develop New Haven into a thriving, inclusive community.
Why do you believe you are a good fit for this board/commission?	I have a passion for housing and transportation policy. In my capacity at AdvanceCT, I have been able to interface with key government officials on policy matters relating to housing, transportation, energy that I feel have given me solid foundations and a good network. I believe the knowledge and network I have built would be of great use to the Parking Authority.
Do you have any time commitments that would prevent you from participating	Not that I am aware of.
