I am a public health family physician who just joined the faculty of the Yale Primary Care Residency, and am passionate about care of the unhoused. I hope to join this commission in order to learn about what the city is doing, and also affect change, from the point of view of a physician who cares for this population.

Why are you interested in serving on a board or commission?

I am new to the city, but have always been interested in serving the community as a citizen and potentially in local government. I am planning to register to vote in New Haven as soon as I can.

Why do you believe you would be a good fit for your selected board and commission(s)?

Because of my passion and interest in serving the unhoused, and also my expertise as a medical professional who has worked with many different urban underserved populations.

Do you have any time commitments that would prevent you from participating in board/commission meetings? Meeting times can be found by visiting newhavenct.gov/boards, but most are usually once a month for 1-2 hours.

No
