Good Morning I am Member Jean C. Jenkins

I will NOT be able to attend the Meeting this evening in the Alders chambers, but changes will benefit the community, we are getting complaints from previous years, in 2023, I believe it will be most productive if we the CRB can receive the Complaints 90-120 days after the complaints are filed. I understand it takes time to review especially Internal affairs, but it's really NOT helpful at all when you receive a complaint a year + later. Hopefully the Alders will change the Ordinance, or at least consider changing it, so the CRB can work in REAL TIME when dealing with the complaints of the Residents of New Haven. It Should NOT take a Full Year to Close a Case.

Any Questions from the Alders I can be reached @ churchlady5550@gmail.com
