Are you currently employed by the City of New Haven or the New Haven Public School System?

Yes No

Why are you interested in serving on a Board or Commission?

I am deeply passionate about empowering young people and understanding the critical role they play in shaping our economy and political ecosystem. Their perspectives and decisions today will define the future of our community, and I believe it is essential to engage with and support them as they navigate these responsibilities. Serving on the Youth Commission of New Haven presents an incredible opportunity for me to contribute meaningfully, using my skills and experiences to help create programs and initiatives that amplify their voices and equip them to make a lasting impact. I am committed to dedicating my time and effort to ensure that New Haven's youth are not only heard but also empowered to drive progress in our city and beyond.

Why do you believe you would be a good fit for your selected Board and Commissions?

I believe I am a strong fit for the Youth Commission because of my grit and determination, which have been key to my success in building a real estate portfolio at a young age. This real-world experience has taught me the importance of discipline, problem-solving, and understanding the broader economic forces that affect our community. I have a vested interest in New Haven, not just as a place where I live and work, but as a city with incredible potential for growth and opportunity. My journey has shown me how critical it is for young people to have access to resources, mentorship, and guidance to navigate the challenges of building their own futures. I want to bring that perspective to the Commission, contributing insights from my experiences while working collaboratively to empower and uplift New Haven's youth.

Do you have any time commitments that would prevent you from participating in the board/commission meetings?
