Dear President Walker-Myers and Members of the Board of Alders,

The City of New Haven's Transportation, Traffic & Parking Department has reviewed the request by Yale University for a License agreement to install Fire Protection Water Pipe Under Hillhouse Avenue from 46 to 37 Hillhouse Avenue. In my capacity as the Director of Transportation, Traffic and Parking, I recommend approval of the agreement- in concurrence with the planning considerations, advice and recommendations of City Plan Commission Advisory Report.

Sincerely,
