New Haven Boards & Commissions Listed	Board of Zoning Appeals
Please explain why you are interested in serving on this board/commission?	During my tenure, the Management Team successfully addressed many quality-of-life issues with the Police Department, LCI, Public Works, Economic Development, Parks Department, and various other neighborhood organizations that provide services to the community. In many instances, we had to present our support or disapproval on some zoning variances that would drastically impact our neighborhood.
Why do you believe you are a good fit for this board/commission?	I believe the time I served on the Civilian Review Board, as Chair of the Management Team and contributing founder of the Whalley Avenue Main Streets Committee have augmented my awareness of the impact the Board of Zoning Appeals has on New Haven residents. I am hoping that I will be able to continue asserting the residents in New Haven that the Board of Zoning Appeals is serious

about moving forward with projects and variances that will be beneficial to everyone.

Do you have any time commitments that would prevent you from participating in the board/commission meetings?

None
