Re: Petition to designate Atwater Street, to Residential parking zone only.

Dear Ms. Walker:

I respectfully submit a request/petition to establish a Residential Parking Zone on Atwater Street, between Grafton Street and Pine Street, left side only, going towards Grand Avenue. The list of houses on that street is listed on the Petition.

I have attached a petition with majority of resident signatures. All residents on the petition agree that on-street parking is scarce on this street and there is a need for residents to be able to have parking closer to their residence and opportunity to park in street near their home.

An increase of outsiders and visitors has increased in this area, which in turn is also causing residence to park further out in order to find parking and in turn, creating a safety concern. If approved, it will elevate parking issues and ensure that these very limited parking spaces will be available to area residents only.

I thank you in advance for your consideration in this matter and request for an approval to have this passed by the Board of Alders.

Respectfully yours,
