

ORDER REQUESTNG A PUBLIC HEARING ON ASTHMA AND RELATED HEALTH
CHALLENGES IN NEW HAVEN

WHEREAS: as New Haven grows, traffic and development patterns may be impacting on our local air quality and asthma rated in the city; and

WHEREAS: the issue of mold in homes across the city contributes to increased asthma rates and harms the health of residents; and

NOW, THEREFORE, BE IT ORDERED that the Board of Alders hold a public hearing regarding the issue of asthma and related health challenges in the City of New Haven; and

BE IT FURTHER ORDERED that the appropriate City Departments appear to provide data testimony regarding asthma rates, causes, and related challenges and solutions.
