Full Name	Isaias Miranda
Full Address	34 Irvington St New Haven CT 06513
Phone Number	2039881343
Are you a registered voter?	Yes
What political party do you belong to? [This information is only requested as it is required by the city charter (Article X Sec. 2-551) to ensure minority party representation on boards and commissions]	Unaffiliated
Which board and/or commission are you hoping to serve on?	Board of Police Commissioners
What is your current occupation?	Retired
Please explain why you are interested in serving on this board/commission?	As a former member of public safety, I am still aware and concerned for the well being of our city and residents. My interest is to work diligently with fellow commissioners and the administration of the NHPD, and help build our department to better protect and serve the residents of our city.
Why do you believe you are a good fit for this board/commission?	I believe that as I was born and raised in the city, attended NHPS, served the city in public safety, and work with young people at my local church, I not only have good knowledge of the make up of our city, I am able to contribute to the PD board because of my continuous connection with the community. My availability allows me to make contact with the citizens and also to deal with police matters.
Do you have any time commitments that would prevent you from participating in the board/commission meetings?	At this moment I do not. I have the ability to make myself available for meetings and other forms of business.
