WHEREAS, good mental health is as essential as good physical health for law enforcement officers to be effective in keeping our communities safe from crime and violence; and

WHEREAS, a stigma associated with seeking assistance for emotional issues prevents many officers from obtaining services for the stresses and trauma of law enforcement, making them vulnerable to negative consequences for themselves and their families, including substance abuse, divorce, and suicide; and

WHEREAS, the U.S. Department of Justice, Office of Community Oriented Policing Services, through the Law Enforcement Mental Health and Wellness Act (LEMHWA), is offering funding to implement new or enhance existing programs that offer training and services on officer emotional and mental health, peer mentoring, suicide prevention, stress reduction, and police officer family services; and

WHEREAS, the Department of Police Service seeks to use grant funding to create a Departmental culture that encourages help-seeking to defend against trauma, distress and burnout by incorporating wellness programs that enhance coping and resiliency, including education and awareness programs, exercise, nutrition, and stress reduction strategies; and

NOW, THEREFORE BE IT ORDERED THAT the Board of Alders of the City of New Haven supports efforts to improve mental health and wellness for law enforcement officers; and

BE IT FURTHER ORDERED THAT the Board of Alders of the City of New Haven recognizes that officer wellness is essential to performing their duties in a responsible manner, thus improving public safety; and

BE IT FURTHER ORDERED THAT the Board of Alders of the City of New Haven authorizes the Mayor of the City of New Haven to apply for funds offered by U.S. Department of Justice, Office of Community Oriented Policing Services, in an amount not to exceed \$175,000.00 and to accept such funds, if offered, and to execute all documents and contracts as necessary.
