Hello Barbara,

Unfortunately I do not have an attendance sheet for the past 12 months, the Commission did not meet regularly.

We did meet January 27, 2022 via zoom and present was Angelina Wilson, Erika Blake (staff), Sebastian Ward, Judge Robin Wilson, Gwendolyn B. Williams (staff) and Tomi Veale (staff) February 24, 2023 present was Gwendolyn B. Williams (staff), Angelina Wilson, Alder Carmen Rodriguez, Alder Sarah Miller and Judge Robin Wilson

Chair person Angelina Wilson cancelled the meeting for March.

Unfortunately, due to COVID the meetings were initially cancelled and then took quite a bit of time to resume under the discovery that the Chair at the time had to step down due to her continuous years served.

Tomi

**Importance:** High

Hi Tomi:

I'm reaching out to you because you were the person in the Youth Services department who sent me over Lauren Pittman's application for reappointment to the Youth Commission.

Do you have the attendance for the past 12 months for the commission that you can send me for use in her reappointment package to the Board of Alders? If not, who can I contact about it?

Any assistance you can provide in this matter is greatly appreciated, as that's the last document I'm searching for to complete her package and get her reappointment submitted to the Board.

Thank you, and have a wonderful day.

Respectfully,
