Barbara:

Here is the attendance:

The Chair (Leslie Radcliff) attendance is 100% present.
Commissioner Pagan attendance is approximately 80% present.
Commissioner Goldfield attendance is 63% present.
Commissioner Martinez attendance is approximately 32% present.

I will get you the attendance of the other Boards next week. Thank you.

If you have City Plan ready first, the rest can be sent over later. If all 3 are available immediately, might as well send all 3 over.

Thank you, and have a wonderful day.

Barbara:

Are you only looking for attendance records of the City Plan Commission or the other Boards as well? Thank you.

Subject: City Plan Commission attendance for reappointments

Hi Team City Plan:

I was wondering if someone in the department could send over the last 12 months' worth of attendance records for the City Plan Commission. I need that information to submit with reappointments.

I am trying to get Ms. Leslie Radcliffe reappointed and submit her in the upcoming July 2022 full Board of Alders meeting; I apologize for the short notice.

Thanks so much!

Thank you, and have a wonderful day.
