Thanks all. Yes re her good standing as a commissioner who attended faithfully when we held regular meeting before the pandemic. As we had no voting items in recent years we only met once or twice during the pandemic. I can send you the dates tomorrow. Kenneth Boroson would be the other Commissioner who we would be looking to reappoint. He too attended faithfully.
More tomorrow. Please let me know if questions.
Carlos

Ok. No worries. I can use the email stating that they did not meet in the past 12 months in the submission. Did Linda have good attendance when Redevelopment was meeting?

Barbara, thanks. We are also looking to move one or two people from NHDC to Redevelopment. This commission has not been active and we are looking to rebuild. I am not even sure we have met past 12 months. Adding Carlos to check.

Subject: Redevelopment Agency attendance

Hi Mike:

I have received a new application for starting the reappointment process of Linda Townsend-Maier to the Redevelopment Agency.

Now I just need to get any attendance from the past 12 months, if there is any. Could you please steer me in the right direction for that one?

Thank you, and have a wonderful day.

Respectfully,

Barbara J. Montalvo
