Honorable Tyisha Walker
President of the Board of Aldermen
165 Church Street
New Haven, CT 06510

Dear President Walker,

I am pleased to request that the Board approve an order to allow rolling street closures for the Christopher Martin's Christmas Run for the Children – 5K.

As the President of the Board of Alders I solicit you to give full support for the event. This event is a great way to kick off the holiday season in New Haven while raising funds for a terrific cause. On Sunday, December 4th, participants will embark on 5K run from State Street and a portion of the Downtown area as detailed in the attached route information.

The route will require rolling closures on various city streets. This event should have a limited impact on the neighborhoods and will promote a very positive cause. Therefore, we are glad to support the application for whatever permits are necessary to accomplish the closing of the streets.

Very truly yours,

Rebecca Bombero
Deputy Chief Administrative Officer
