Greetings:

I am pleased to request authorization for the Parks Commission to accept a donation from the University of New Haven of a Gill Double Circle Hammer Discus Throwing Cage and Hammer and discus circles for Bowen Field improvements.

This would be a partnership between the City of New Haven, Park Commissioners, and the University of New Haven. The City of New Haven would be responsible for the installation of the Gill Double Circle Hammer Discus Throwing Cage.

This is an exciting community building opportunity that will help to improve outcomes for our youth. Your support is greatly appreciated.

Best,

Gwendolyn B. Williams
Director
