**1.2 Fire Hydrant Repairs \$400,000**

In the area of fire hydrants, we currently have just over 100 of our approximately 21,34 hydrants out of service. We have the need to purchase complete hydrants and parts to make replacements and repairs. In addition, there are some our shop cannot repair or replace and must request this service from the Regional Water Authority. These costs range from \$3,000.00 to \$7,000.00. The Fire Services is requesting \$400,000.00 to start short term project of repairing and replacing hydrants in our critical areas.
