WHEREAS, the Board of Alders wishes to encourage planned and intentional growth within the Moratorium Area that promotes and enhances the public's general health, safety and welfare; and

WHEREAS, the Board of Alders further desires to solicit and include public participation in planning efforts related to the comprehensive growth of the Moratorium Area; and

Now, Therefore, Be It Ordained BY THE BOARD OF ALDERS OF THE CITY OF NEW HAVEN, CONNECTICUT AS FOLLOWS:

SECTION 1. AUTHORITY.

This Ordinance is enacted pursuant to 1921 Special Act (amended 1925), Connecticut Statutes, and under the home rule powers of the Connecticut General Statutes in the interest of the public health, safety and general welfare of the people of New Haven.

SECTION 2. LEGISLATIVE FINDINGS OF FACT.

The foregoing recitals are hereby incorporated herein and are true and correct. The Board of Alders further finds that in order for the City Plan Department to have the ability to accurately assess, determine, and incorporate public feedback as to the economic potential of a proposed zoning designation within the Moratorium Area, and present such findings to the City Plan Commission and the Board of Alders for action, it is necessary to place a moratorium on the submission and acceptance of land use applications for special permits, variances, site plans, special exceptions, development applications or rezoning entitlements within the Moratorium Area.

SECTION 3. LOCATION.

The location/boundary of the Moratorium Area shall be coterminous with boundary of the Long Wharf Responsible Growth Plan. This area is generally defined as Water Street to the North; New Haven Harbor along the East; Union Avenue along the West and Hallock Avenue to the South. This geographic area is depicted on Page 1 of the "Long Wharf Responsible Growth Plan" as indicated in the map below. (A copy of The Long Wharf Responsible Growth Plan is attached as Exhibit A and incorporated by reference).
