Dear Honorable President Walker-Myers,

The Department of Parks & Public Works is submitting documentation for the purposes of Authorization for the City of New Haven's continued participation in HAZWASTE CENTRAL'S waste collection located at 90 Sargent Drive, New Haven CT.

New Haven's current commitment to providing residents with a safe and efficient method of disposing of household chemicals to the waste facility expires June 30, 2023, and the current commitment proposed by HWC is a new three-year commitment for July 1, 2023, through June 30, 2026. The proposed budget for the first year July 1, 2023, through June 30, 2024, is \$68,880.81.

This request is for the review and resolution confirming commitment and participation in the regional household hazardous waste collection and confirmation of the City's intent to contribute financially to the operation, processing, transportation, and disposal of hazardous waste on behalf of New Haven's residents. Attached (Exhibit 1) is a copy of the Fiscal Year Budget Proposal July 1, 2023, through June 30, 2024, for participating Municipalities.

Respectfully Submitted,
