PROGRAM NAME: Overdose Data to Action: Limiting Overdose Through Collaborative Actions in Localities (OD2A:Local)

(X) NEW () CONTINUATION

FUNDING LEVEL AVAILABLE TO PROJECT:

\$10,517,506

FUNDING SOURCE: Centers for Disease Control and Prevention

PURPOSE OF PROGRAM: Overdose Data to Action: Limiting Overdose through Collaborative Actions in Localities (OD2A: LOCAL) will support the city and its partners to use data to drive actions that reduce overdose morbidity and mortality in communities, with a primary focus on opioids and/or stimulants.

BRIEF SUMMARY OF CITY'S PROPOSAL: With these funds, the New Haven Health Department will work to decrease stigma surrounding opioid use disorder, increase the number of medical providers who offer medication assisted treatment, connect individuals with substance use disorders and mental health needs to treatment, and develop data sharing systems between the health department and first responders. An independent evaluation will also be conducted. A more detailed description of the program is provided in the Executive Summary.
