Re: Yale University – Lot 63 Expansion

Dear President Walker-Myers and Honorable Members of the Board of Alders:

On behalf of Yale University, and pursuant to the Order of the Board of Alders adopted on September 6, 2016 (File No. LM-2016-0241) (the “Order”) approving Yale University’s Central/Science Campus Overall Parking Plan (“OPP”), we are communicating to you in order to request a determination and adoption of a resolution by unanimous consent certifying that the enclosed Application for Development Permit/Site Plan review (the “Application”) does not require an amendment to the OPP. The Order requires review by the Board of Alders of certain zoning applications of Yale University which propose new entitlements for the purpose of determining whether the application requires an amendment to the OPP. The Order specifically allows the Board of Alders to make such a determination by unanimous consent. This letter and the documents submitted herewith provide information enabling the Board of Alders to make a determination that an OPP amendment is not required. Enclosed are copies of the Application and plans submitted to the City Plan Commission on September 21, 2023.

The Application involves the expansion of an existing Yale University parking lot known as Lot 63 located west of Prospect Street and south of Hillhouse Place within the University’s Central/Science Campus. This is an enabling project to provide additional parking for the future impacts associated with the development of a new physical sciences and engineering building on the Science Hill block.

The Application does not involve any new buildings or structures. A total of 32 parking spaces will be added as a result of the project. No parking is required for the project under Section 12(b)(1)(g) of the Zoning Ordinance since the project will not expand the University’s existing student body, no faculty or employees will be added, and no new places of assembly will be created.

For all the reasons outlined in this submission, Yale University respectfully requests a determination and resolution by the Board of Alders by Unanimous Consent certifying that the Application does not require an amendment of the OPP. A draft resolution is enclosed.

Very truly yours,

J. Michael Bellamy  
Vice President, Facilities and Campus Development
