Honorable Tyisha Walker-Myers
President, New Haven Board of Alders
165 Church Street
New Haven, Connecticut 06510

Dear President Walker-Myers:

Re: Corner Naming of Sherman Parkway and Harding Place in Honor of Ms. Camryn Gayle

I would like to respectfully submit to the New Haven Board of Alders the attached order proposing the corner of Sherman Parkway and Harding Place be called "Camryn's Corner" to commemorate and honor the vibrant life of Camryn Gayle, a dedicated cheerleader and source of inspiration for countless young individuals in our community.

I have attached the necessary petition signed by supporting neighbors, city residents, and friends; map indicating the location; and fee to satisfy the procedural requirements for corner namings.

I ask that the Board approve this Order, which calls for the designation of the above-mentioned corner in recognition of Ms. Camryn Gayle, making this corner a legacy in the Dixwell neighborhood and citywide as an official and permanent reminder of her integrity, generosity, hope, and dignity.

Thank you for your consideration of this proposal.

Respectfully submitted,

Troy Streater
