- Provide transportation to and from the Dixwell/Newhallville Senior Center and senior center participant homes located throughout the City of New Haven through contractual services for those that attend the Dixwell/Newhallville Senior Center.
- Offer transportation for free during regular programming days, Monday through Friday, utilizing a 20-passenger CDL bus that is wheelchair accessible. The number of passengers on each bus will vary depending on the amount wheelchairs/scooters being transported.

The Department of Elderly Services objective is to connect seniors to programs and services, with an intended outcome to minimize the effects of isolation as a result of the pandemic while increasing the number of seniors that engage in the programs and services provided at the Dixwell/Newhallville Senior Center.
