Are you currently employed by the City of New Haven or the New Haven Public School System?

Yes No

Why are you interested in serving on a Board or Commission?

My interest for serving on the Board is to be a resource to and for the community. It provides an opportunity to assist in issues withing the city and be a resource to the community for and with information. Serving on the Board is a way to learn more about the Commissions and what they do as well as find my place within to help where I see fit. I'm eager to learn and excited to see how I can this help me grow within the city.

Why do you believe you would be a good fit for your selected Board and Commissions?

The Board I selected is the Board I previously served on and was appointed. I'm a good fit for this position because I'm familiar with the concept of Equal Opportunity from being the Executive Vice President - Union Officer at the Veterans Affairs Medical Center for over seven years while employed. It was a learning experience on educating myself on how the Board can be a benefit for the citizens in the city. It allows me to get more involved and find ways where I can help.

Do you have any time commitments that would prevent you from participating in the board/commission meetings?

None Known
