Honorable Tyisha Walker

President, New Haven Board of Alders

165 Church Street

New Haven, CT 06510

Dear President Walker

After discussing my longstanding case with the City's Corporation Counsel, Mr. John Rose, he told me that I should present it to the Board of Alders and that if your board authorizes a settlement he will carry it out.

So I am submitting this letter to formally request that you assign it to a committee of the Board that can review my case and make a recommendation to Mr. Rose.

I am hopeful that after all these years I can finally get what is due to me.

Thank you for your understanding.

Sincerely,

Tyrone Grant
