The Honorable President Tyisha Walker-Myers, President  
New Haven Board of Alders  
165 Church Street  
New Haven, CT 06510

Dear President Walker-Myers:

Since 1990, New Haven has provided its residents with a safe way to properly dispose of household chemicals by being a member of the HazWaste Central (HWC) program. HWC is Connecticut's first permanent household hazardous waste collection center and is located at the Regional Water Authority's headquarters in New Haven. It has served 16 communities, including New Haven, for almost 30 years.

New Haven's current commitment resolution to participate in HWC expires June 30, 2020. A new three-year commitment resolution for July 1, 2020 through June 30, 2023 is needed to ensure New Haven residents can continue to bring their household hazardous waste to the facility. Please approve the enclosed resolution at the July 6<sup>th</sup> Board of Alders meeting to be signed and certified by the City Clerk. One copy is to be returned to the HWC office, 90 Sargent Drive, New Haven and file a certified copy in the City Clerk's office.

Sincerely,

Justin M. Elicker

Mayor
