RESOLUTION CONFIRMING THE CITY OF NEW HAVEN'S COMMITMENT AND PARTICIPATION IN A REGIONAL HOUSEHOLD HAZARDOUS WASTE COLLECTION CENTER

WHEREAS, the South Central Connecticut Regional Water Authority, as agent for the South Central Regional Council of Governments and participating municipalities, has undertaken the permitting, construction and operation of a regional facility for the collection of household hazardous waste and conditionally exempt small quantity generator business waste at its headquarters at 90 Sargent Drive in New Haven; and

WHEREAS, the municipalities participating in the facility are able to have residents drop off their household hazardous wastes on Saturday mornings from 9a.m. until noon, and conditionally exempt small quantity generators deliver business waste on Saturday mornings, by appointment from 7 a.m. to 8:30a.m., from spring through fall for proper processing , transportation and disposal;

WHEREAS, the facility is owned, managed and operated under the supervision of the South Central Connecticut Regional Water Authority for the benefit of the participating municipalities;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF NEW HAVEN THAT:

The City of New Haven declares its commitment to continue participation in the regional household hazardous waste collection center for a minimum three-year period (July 1, 2020 through June 30, 2023), and confirms its intent to contribute financially for the operation, processing, transportation and disposal of household hazardous waste.

The City of New Haven authorizes its Mayor to enter into this agreement with the South Central Connecticut Regional Water Authority for the operation of the facility. Such agreement will permit the Authority to act as its agent to maintain the facility, to contract with a vendor for the transportation and disposal of the hazardous wastes, to receive financial support from the grant sources, to enter into the agreements with other municipalities and to operate the facility.

Invoicing will be based on a two part formula:

1. Annual operational costs are based on the number of 1- and 2- family housing units in New Haven, and
2. Annual transportation and waste disposal costs are prorated by residents' usage.

This resolution shall be effective July 1, 2020 through June 30, 2023.

I hereby certify that this is a true and correct copy of action taken by the New Haven Board of Alderman, at its meeting held on July 6, 2020.

City of New Haven:
