I would just like to add one more thought. There are 8 condos in our building, all have bedrooms in the back of the building. I am on the fifth floor. I'm sure the noise on the lower levels is even louder. There is a family on the second floor who has a two year old. I'm not sure what effect the trash pick up has had on them but two working parents don't need a toddler needlessly being awakened so early in the morning.

Thank you again.
Jane

No problem... here's an update... I forgot to mention that Capture Salon has its pails in the side lot. Its trash was picked up at 4:39 this morning.

Yes, I will enjoy the sun today. It's a nice mild morning.

Thank you, Jane, for writing in support of the proposed change. Fingers crossed it passes and can alleviate this problem. No one should have to be woken up by trucks breaking the rules.

Enjoy the return of the sun today!

Sincerely, Abby

Hi,

My name is Jane Swersey and I am writing about the early morning trash pickup. I live downtown at 116 Crown St. Our building faces north and has a small parking lot on the east side. The 116 Crown, Kuro Shiro and the Washington Building have their dumpsters in the back of the lot. The back of our building (the south side) is adjacent to the Ecuadorian Consulate. Its dumpsters are close to our building. Unfortunately our bedroom is in the back of our building and whenever trash is picked up we hear it. During the past two weeks the Consulate had its trash picked up at 3:15am and the trash company that picks up in the side parking lot was sometime around 4:45am Obviously I know this and recorded it on my phone because it awakened us. I appreciate your help in trying to alleviate this problem.
