*RE: ORDER AUTHORIZING THE CITY ENGINEER TO CONSTRUCT SIDEWALKS ON THE NORTH SIDE OF PEARL ST WEST OF ORANGE ST*

Dear President Walker-Myers:

The proposed action before you authorizes the installation of sidewalks at the following four locations:

1. Installation of a sidewalk on the south side of Ford St between 38 Ford St and Sherman Pkwy.
2. Sherman Pkwy between W Division and Harding Pl (east side)
3. Exchange St near Haven St.
4. Emerson St near Valley St.

These are short locations that represent gaps in the sidewalk network and would serve as connections pedestrians. Exchange St is also part of the Mill River Trail and next to an installation planned by Save the Sound. The cost of these short sections is anticipated to be approximately \$25,000.

The Resource Allocation Committee has approved this work.

Thank you for your consideration.

Sincerely,

Giovanni Zinn, P.E.  
City Engineer
