Honorable Tyisha Walker
President of the Board of Aldermen
165 Church Street
New Haven, CT 06510

October 12, 2021

Dear President Walker,

I am pleased to request authorization to partner with the Urban Resources Initiative to apply for and accept \$37,335 for access improvements at Kimberly Field Park which will be completed as part of our existing Greenspace Partnership.

The project will complete portions of the Master Plan for Kimberly Field Park developed by the City's Landscape Architect Katherine Jacobs including an access trail and amenities such as trash cans and benches. Since this is a complement to planned work at the park the in-kind and capital match was already anticipated spending. The improvements will be completed through the partnership between URI and the Engineering and Parks and Public Works Departments with support from neighbors and the BRAMS school community.

This grant is due on October 31st so I respectfully request approval via Unanimous Consent at your next meeting.

Your support is greatly appreciated.

Best,

Rebecca Bombero
Deputy Chief Administrative Officer
