ORDINANCE AMENDMENT AMENDING CHAPTER 2, ARTICLE III, DIVISION 1, SECTION 2-61; CHAPTER 2, ART. III, DIVISION 4, TITLE II, SECTION 2-152(B); SPECIAL LAWS, ARTICLE XIII, SECTION 273(1); AND TITLE II, SPECIAL LAWS, ARTICLE XIII, SECTION 278 REGARDING DISCLOSURE, ACCOUNTABILITY AND COMPLIANCE WITH LOCAL APPROVAL PROCEDURES.

Legislative Reform: Disclosure, Accountability and Compliance

Outline of the Ordinance Re - Disclosure, Accountability and Compliance

Purpose: To require the disclosure to the Board of Alders of all written and oral “side agreements” including but not limited to agreements, memoranda of understanding, letters of understanding, side letters and the like negotiated by the Mayor or his or her designees or other City officials or agencies related to the terms and conditions of employment and any benefits related thereto, including, but not limited to retirement or pension enhancements, for classified and unclassified personnel whether or not they require approval by any other public agency of the City under the Charter, Special Acts or Ordinances of the City. Moreover, the ordinance also requires submission (for action or consultation) to the appropriate public agency in cases where the Charter, Special Acts or Ordinances of the City require the approval or other action on such agreements, by, for example, the Board of Alders, Litigation Settlement Committee as well as agencies or boards charged with the management and administration of municipal employee pension funds. The ordinance recognizes the authority under granted to the chief executive officer of the City under C.G.S. §7-474(a) as the representative for the purposes of negotiating agreements; however, clarifies that the authority to negotiate does not confer the authority to enter a final binding agreement, if other legal requirements are required by local law

The authority of the Mayor as the chief executive officer of the City to negotiate on behalf of the City, including but not limited to the authority granted under C.G.S. §7-474(a), does not confer the authority to enter a final binding agreement, in the event the action or approval of another public agency is required to effectuate

such agreement. Moreover, in accord with the provisions of Ord. §1-2(15) of this Code: "Whenever the title of an officer, employee, department, board, commission or agency is given, it shall be construed to refer to an officer, employee, department, board, commission or agency of the City of New Haven."

The terms of any oral agreement shall be reduced to writing by the Disclosing Official or Agency, as defined herein. Agreements pertaining to confidential matters or the privacy rights of individuals as required or permitted by federal or state law may be redacted in order to protect the identity of the employee entitled to the protections afforded by law. Said disclosure shall be made within thirty-six (36) hours of the completion of said agreement. Decisions for further public disclosure, including continuing compliance with confidential provisions therein, is within the discretion of the Review Committee.*

(d) Compliance. *In the event any Agreement, as defined in Sec. 2-61(a), above, requires the Action or Approval of another Public Agency for any reason whatsoever, the Mayor and any Submitting Official or Agency shall submit said Agreement to the appropriate public agency for such action in accordance with all legal requirements. All requests shall include, unless not deemed necessary by the Review Committee: (1) any actuarial cost benefit impact studies; and, (2) an opinion from the Corporation Counsel addressing the legal issues involved in the agreement, including, but not limited to the potential of averting litigation and the likelihood of a judicial or administrative award.*
