WHEREAS, the Office of Building Inspection & Enforcement (OBIE) had identified the single residence known as 27 Valley Place North, owner is Daniel Zweeres, is structurally unsafe due to a second alarm fire that took place on March 5, 2022. Six demolition contractors, which are listed on the City's small business program were invited (see attachment) where only five submitted their proposals.

WHEREAS, strong winds caused more severed damages to this building thus creating endangerment to the public, pedestrians, and adjacent homes that were already impacted by the fire that took place at 27 Valley Place North.
